BRAND NEW, Daddy's Day at Work: Fantastic Phones, Greg Gormley, Daddy is having a very busy day at work - first he zooms off to space and then he gets chased by aliens on the moon! Join in with the fun by phoning him up to see what he's doing! Each of the four hilariously funny storybooks in this series, is accompanied by a sparkly, ringing play-phone. The characters featured within the stories are getting up to some very unusual things, whilst conducting the most ordinary phone conversations with the person on the other end of the line! Full of interest and humour, children will love pointing out what's really going on in the pictures.
