

## Electro-Therapy with the Morse Wave Generator (Classic Reprint)

By Frederick Harris Morse

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Electro-Therapy With the Morse Wave Generator In the following pages the writer will attempt to give, necessarily briefly and dogmatically, sufficient information for the intelligent use of the alternating and continuous, or galvanic current, in disease. This book is intended for those, who have neither time nor inclination to study larger works on the subject. The instruction given in the following pages are for the guidance of those who are unfamiliar with the technique of wave-current therapy and the many phases in the use of the galvanic current, and who further have had no didactic or positive instruction in the use of the application of electricity in treatment of disease, and are apt to hesitate as to methods and dosage, and their adaption to each individual case. The physician who has become an apt technician will have no need of reiteration of the basic principles of the subject, and will use such original methods and modifications as personal experience or tact may devise. With a new Therapeutic Method having distinct and prominent advantages, an explanation...
