Blue has worked in Corporate America for over 25 years focusing on information technology, insurance, and risk and project management. Over 11 years of teaching at the college level, L. B. Blue attempts to understand, empathize, and care for the total student. Knowing that she is helping students in the classroom with real-world applications and discussions encourages her to prepare adult learners to be competitive in the 21st century and beyond. She incorporates Christ-centered values into her teaching by creating and molding a foundation that accentuate the Golden Rule - One should treat others as one would like others to treat oneself. Once students grasp this concept, they can then live it by demonstrating their faith in Jesus Christ - asking for strength and encouragement to help others; thus L.B. Blue continues to share relevant information by teaching to encourage diversity, educational advancement, and community inclusion.
