Liturgical Press. Paperback. Book Condition: new. BRAND NEW, The Art of the Saint John's Bible: A Reader's Guide to Pentateuch, Psalms, Gospels and Acts, Susan Sink, The Saint John's Bible provides an opportunity for people to experience the Scriptures in a new - but at the same time ancient - way. Here are illuminations that bring the words of the Bible alive for the contemporary world. Some of the world's top calligraphers, working in a tradition all but replaced by the printing press centuries ago, invite us into a rich and varied creation. The illuminations draw on and update Eastern iconographic and Western sacred art traditions, resulting in one of the most important sacred art achievements of our time. The Art of The Saint John's Bible: A Reader's Guide brings text and illumination together for reflection. This guide further opens up the significance of elements in the illuminations, and points out recurring visual motifs that connect the stories within and across the volumes. You will find here some of the history of the tradition of illuminated Bibles, as well as insight into the thought processes and artistic Vision behind the planning and execution of the images. The guide covers the first three published volumes of The Saint John's Bible, Pentateuch, Psalms, and Gospels and Acts. It includes information on the individual artists; an explanation of terms such as carpet pages and marginalia; an index of flora and fauna; and a chart of the chant tones used in Psalms. More importantly, it offers an invitation to experience the illuminations and the biblical text more deeply. This book features beautiful full color and black and white reproductions of more than 40 major artworks from the individual volumes and over two dozen reproductions of the minor elements (text treatments, marginalia, initials). It is...
