David Edwards thought this was as good as it gets. He had no reason to rock the boat. But it got rocked anyway. A business failure. A divorce. No possessions. This was suddenly David s new life. Circumstances had conspired to make him look within. Deeply. Did he want the 9 to 5? Were the possessions worth the price? Over time he realised that he didn t need the boat. Or even a life jacket. Read how he s learnt to live his life simply. This book will change your life - it s much more than just paring down the stuff we buy. It covers all aspects of the new way we must live to help Mother Earth, including living a minimalist lifestyle and spiritual minimalism.
