Turtleback Books, United States, 2014. Hardback. Book Condition: New. 2nd. 183 x 130 mm. Language: English . Brand New Book. The book that demystifies academic writing, teaching students to frame their arguments in the larger context of what else has been said about their topic-and providing templates to help them make the key rhetorical moves. The best-selling new composition book published in this century, in use at more than 1,000 schools, They Say / I Say has essentially defined academic writing, identifying its key rhetorical moves, the most important of which is to summarize what others have said (they say) to set up one s own argument (I say). The book also provides templates to help students make these key moves in their own writing. The Second Edition includes a new chapter on reading that shows students how to read for the larger conversation and two new chapters on the moves that matter in the sciences and social sciences.
