

Buck Out

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.
(Mitchell Kuhn III)

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Malcolm Carter and Ryan Boone, two New York City friends whose lives have been dominated by the financial markets, are about to exchange their charts and reports for guns and survival supplies-but not because they want to. When China and Japan decide it s time to dump U.S. Treasury Bonds, an economic nightmare plays out in America. The Federal Reserve watches helplessly as the dollar is decimated and the resulting food shortage spreads lawlessness across the land like a virus. Malcolm is a successful day trader who always needs to make one more score before he ll listen to Ryan and diversify some of his assets into real estate or gold. He figures an impressively-larger bank account might be the only way he can lure his Secret Service agent ex-wife back. Malcolm finally hits it big by aggressively shorting bonds when the market crashes, but waits too long to invest in tangibles. All that newfound money suddenly won t by him a bar of gold, a pint of beer, or a minute of Hannah s attention-especially when she s in the field chasing down a former counterfeiting gang. As luck would have it, Ryan turns out to be a closet doomsday prepper. The two of them attempt to escape the chaotic Big Apple and reach Ryan s land in West Virginia, supplied only by the contents of Ryan s bug-out bag. But it s not going to be an easy journey. Travelling has become difficult and dangerous. Malcolm learns he must redirect the same tenacity which helped him beat the markets towards staying alive on the road .and, hopefully, finding Hannah.
