Just imagine a mother panicking, because she is just going back home from the office, and she has forgotten to bring some chocolate ice cream for her kids. She knows what she is going to meet when she enters her house. Tear fests, tantrums, whining and complaining. This is when parenting turns out to be not a pleasure, but a pain. Many parents do not know the best level headed approach to bringing up kids without spoiling them. Why is the reason why parents begin to dread facing their children as they are going to make their lives a living hell when they are told that they are not going to get the things that they expect their parents to bring them? In the eyes of the neighbors and the teachers, that particular child is such a perfectly behaved little angel, but the moment their parents have to deal with her or him, he turns out to be a little devil incarnate. This child is stubborn, and difficult to handle. He cries at regular intervals. He throws temper tantrums. He disobeys instructions. In fact, he is going the right way in becoming a menace to society and the people around him. This book...
