From the Trail of Tears to Wounded Knee and Little Bighorn, the narrative of American history is incomplete without the inclusion of the Native Americans that lived on the continent before European settlers arrived in the 16th and 17th centuries. Since the first contact between natives and settlers, tribes like the Sioux, Cherokee, and Navajo have both fascinated and perplexed outsiders with their history, language, and culture. In Charles River Editors Native American Tribes series, readers can get caught up to speed on the history and culture of North America's most famous native tribes in the time it takes to finish a commute, while learning interesting facts long forgotten or never known. One of the most influential Native American tribes on the Great Plains was the Arapaho, a group so renowned among neighboring Native Americans that it's believed their name came from a Pawnee word for trader. Like other notable Plains tribes, the Arapaho split off from other groups around the 16th-17th centuries and shifted from a sedentary agricultural society to the kind of nomadic group many envision when thinking of groups on the Plains. That nomadic lifestyle brought them into contact with the Sioux and Cheyenne, both of whom became allies as white settlers pushed west and led to conflicts. The United States sought to defuse tensions with natives during the westward push by drafting treaties regarding major pieces of land, often without understanding the complex structure of the various tribes, and subgroups within those tribes. Most notably, the Arapaho were...
