Every cat deserves the best possible food in their diet, but knowing exactly what cat food and treats are best can be hard especially with limited nutritional information for many brands and so many of those brands to choose from. For these reasons, many people have turned to creating their own cat food, using naturally healthy recipes and foods over which every cat will salivate. This book has been carefully researched and compiled to provide you and your cat more than 100 healthy recipes that will help your cat live the best possible lifestyle. You will learn how to recognize the nutritional needs of your cats, including what good health entails in their lives and how to change their diet accordingly depending on their exact breed. You will learn what various normal cat foods contain and which nutritional necessities they meet or do not meet accordingly. You will then learn what artificial preservatives might currently be in your cats food and what that can do to them. Dietary experts for pets and cats in particular have been interviewed and their insights have been included in this book to provide detailed information on how to best feed your cats at home. You will learn how and where to buy what you need for your cats new diet and how to slowly and effectively make the change without disrupting their health. Finally, you will learn more than 100 different recipes, with specific tips in each one for ensuring your cats utter and complete health both in their everyday meals and in the special treats you may give them. This book, for anyone who has considered the importance of their cats dietary health, is ideal for starting...
