

## The Ethics of Tax Evasion (Hardback)

Filesize: 6.51 MB

### Reviews

*This publication is fantastic. We have read through and I am certain that I will planning to read yet again yet again down the road. You won't feel monotony at any time of your respective time (that's what catalogs are for concerning when you request me).*

*(Alec Langosh)*

## THE ETHICS OF TAX EVASION (HARDBACK)

Springer-Verlag New York Inc., United States, 2011. Hardback. Book Condition: New. 2012. 234 x 160 mm. Language: English . Brand New Book. Why do people evade paying taxes? This is the central question addressed in this volume by Robert McGee and a multidisciplinary group of contributors from around the world. Applying insights from economics, public finance, political science, law, philosophy, theology and sociology, the authors consider the complex motivations for not paying taxes and the conditions under which this behavior might be rationalized. Applying theoretical approaches as well as empirical research, The Ethics of Tax Evasion considers three general arguments for tax evasion: (1) in cases where the government is corrupt or engaged in human rights abuses; (2) where citizens claim inability to pay, unfairness in the tax system, paying for things that do not benefit the taxpayer, excessively high tax rates, or where taxes are used to support an unpopular war; and (3) through philosophical, moral, or religious opposition. The authors further explore these issues by asking whether attitudes toward tax evasion differ by country or other demographic variables such as gender, age, ethnicity, income level, marital status, education or religion. The result is a multi-faceted analysis of tax evasion in cultural and institutional context, and, more generally, a study in ethical dilemmas and rational decision making.
