

## The Michigan Tudor

By Dr Ollie B Fobbs Jr

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Michigan Tudor is a fun short, fast Read, certainly, there was a couple hard parts for me to do and make it through, but, I did not intend for this to be a long drawn out book, even though it very well could have been. It was stated several times in the writing that the house was haunted, but it wasn't, the principle of the house is based on the ethics of time in matter, not the matter in time, this is why certain things could happen, and certain things could not, it is a very tricky reading, but, in the end, it is a lot of fun.
