CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 200 pages. Dimensions: 11.0in. x 8.5in. x 0.5in. As you know, W. D. Gann was a legendary trader. Some say he amassed a fortune in the the markets. He died in 1955. He wrote several important books on trading as well as a commodity trading course and a stock market trading course. He charged 3000 to 5000 for the trading courses which included 6 months of personal instruction by phone. The books and courses were written in veiled language which is almost impossible to understand by the average person. I have found many successful traders used the techniques of W. D. Gann. Due to the overwhelming interest in the W. D. Gann trading techniques, I created the Gann Masters Trading Course to help traders become successful. The course was created in combination with asking large traders how they used the techniques of W. D. Gann. This was put together in an easy-to-understand course designed for the average person. The course includes dozens of charts and illustrations which were not included in the courses of W. D. Gann. The course length is 200 pages. An Excel template was also developed to help the students with master table and circle charts. It is included with the course. It has electronic versions of all the master charts including the square of 4 and 9. It is possible to extend these master charts out to infinity with the Excel template. This item ships from La Vergne, TN. Paperback.
