AUTHORHOUSE, United States, 2007. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.When high school Science teacher Win Mitchell opens a fortune cookie to read that nine attempts on his life are coming, he naturally dismisses the warning as a sick joke. When he s thereafter struck by lightning, he realizes he d better take the warning seriously, even if his attacker seems to be Nature itself. With help from his would-be boyfriend Casey and the beautiful new school librarian Suzanne Dadlow, Win sets off to prevent eight more attempts on his life from succeeding and, more urgently, to keep self-proclaimed Gods from stunting Man s understanding of the world around him. This well-written and fast-paced novel follows one man s gradual comprehension of his universe, his fate, and his own mysterious heart.
