*Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Paperback. Book Condition: New. Paperback. 152 pages. Have you ever wondered how it all ends? How the world and everything in it comes to a close? Have you thought much about what happens to people when they die? Do they live again? Are they gone? Gone forever? Are they happy, or sad? Are things better, or worse? Does the earth simply wear out or wind down like a clock? Or perhaps you may think the world goes on forever without an end? This book is designed to provide a general overview of what the Bible teaches about the end of this world, the end of this life as we know it, and about the life to come. This book would be a fine basis for all sorts of youth Bible studies, youth group situations, and Sunday School classes. One more thing--many older Christians would profit from its teaching as well. --Dr. Sam Waldron, Pastor, author of *The End Times Made Simple*, and Academic Dean for the Midwest Center for Theological Studies. Being young tends to make you think you'll live forever. That's why young people think so infrequently about the future, especially the end of the world. A young person who thinks infrequently about the end of the world and the Second Coming of Jesus will very likely be unprepared when the end and Jesus come. That's why I'm so grateful for Steve Daniels' sober and helpful book written especially for young people. May our young people be more heavenly-minded, knowing the joy of eternal...
