

## Hades (Halo Trilogy)

By Adornetto, Alexandra

Feiwel & Friends, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service!  
 Summary: Praise for Halo : "Her [Adornetto's] dialogue feels fresh and real, pulled from the mouths of her peers without any cultural markers necessary to prove relevance. If it were not for young adult readers like her, the Y.A. boom never would have happened and publishing would be much gloomier." - The New York Times Book Review "These angels are the optimistic, hope-filled cousins of the tormented fallen angels in other paranormal romances. Xavier is gorgeous, honorable, and so protective of Bethany that you'll be crushing on him after the first chapter." - Justine magazine "A compelling novel of good and evil that will find an audience among girls who can't get enough of otherworldly characters and situations, and heart-wrenching romance." - School Library Journal.
