Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

FUEL FOR PILGRIMS (VOLUME THREE)

Lulu.com, United Kingdom, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: N/A. Brand New Book ***** Print on Demand *****.Pilgrimage is a very rich metaphor for the Christian life. It evokes much that is foundational for an authentic self-understanding as a disciple of Jesus. Each of these books contains 40 individual meditations that are designed to give pilgrims fuel for the journey. These meditations will inspire faith, encourage self-reflection, and help the reader to set their own spiritual life in the context of Christian discipleship down through the millennia. The individual meditations are inspired by an eclectic mix of sources-Scripture, Christian hagiography, Church History, contemporary events, and scientific discovery. Each meditation is accompanied by questions which guide personal meditation, as well as suggestions for a prayer response. Although these books are suitable for private use, it is hoped that groups will use them with private daily use being augmented by group time of sharing and praying together. Suited for Lent/Advent use.
