Pan Macmillan. Hardback. Book Condition: new. BRAND NEW, The Merchant of Venice (Main Market Ed.), William Shakespeare, John Gilbert, Ned Halley, The Merchant of Venice is perhaps most associated not with its titular hero, Antonio, but with the complex figure of the money-lender, Shylock. The play was described as a comedy in the First Folio but its modern audiences find it more problematic to categorize. The vilification of Shylock 'the Jew' can be very uncomfortable for a post-holocaust audience, and debates continue as to whether Shakespeare's portrayal of this complex man is sympathetic or anti-semitic. A exacting and controversial comedy, The Merchant of Venice explores prejudice and the true nature of justice. Illustrated throughout by Sir John Gilbert (1817-1897), famous for his depictions of historical scenes. As well as Shakespeare, he illustrated works of Sir Walter Scott, Cervantes, Wilkie Collins and Wordsworth. With an Introduction by Ned Halley.
