ASSESSMENT OF DEVELOPMENT RESULTS: BURKINA FASO

United Nations. Paperback. Book Condition: new. BRAND NEW, Assessment of Development Results: Burkina Faso, United Nations Development Programme, This evaluation covers the period from 2002 to 2008. UNDP demonstrated comparative strengths in the domain of governance (support to the parliament and decentralization). Another important contribution was to develop innovative pilot activities: the success obtained through multifunctional platforms to generate power and electricity in rural areas, the development of non-timber forest products or the support to civil society initiatives to fight...

Reviews

This publication can be well worth a study, and far better than other. Better then never, though i am quite late in start reading this one. Its been printed in an exceedingly simple way and it is only soon after i finished reading through this book in which really transformed me, alter the way in my opinion.
