Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

(Mr. Grant Stanton PhD)

WestBow Press A Division of Thomas Nelson. Hardcover. Book Condition: New. Hardcover. 276 pages. Dimensions: 9.1in. x 6.2in. x 1.0in. From a very early age, Emilys father has mentored her in criminology, and she has a promising career as a detective in the city of Manchester, New Hampshire. Now a two year veteran of the police force, she is gifted in her investigative skills, but empathy for innocent victims causes her insomnia, guilt, and symptoms of disassociation. She has turned away from God for His allowance of horrible things to happen to children and good people. Her effort to temporarily take leave and re-group and at the same time stand in for soon to be vacationing, Constable Pete Hines, in his peaceful little town, sends her straight into a foreign and frightening environment of wild animals and poachers-and to the aid of a rookie game warden who is in imminent danger of losing his life. In her struggle to maintain her own equilibrium, what she didnt count on is falling in love with Daniel and also with this (in her mothers words) poverty-row town. Daniel is a fl awed and sacrificial hero. Though agile and intuitive in the ways of the woods, this PHD graduate in Wildlife Biology only became a game officer so he could be near his grieving foster mother as she endures the death of her biological son. Daniels authority is put to the test because the previous game warden looked the other way on poaching, and the poor people of this area liked it better that way. Here in Kaskitesiw, hunting is an equalizer and problems are resolved within the darkness of trees. Gently and not so gently, Emily encourages Daniel through physical healing. Yet her guilt festers for the victims she wasnt in time to save...
