We need understanding and communication among countries. As a Chinese teacher, I have learnt a simple way through tried and error to learn Chinese which is suitable for western people. We can learn Chinese Pinyin by the Method of Chinese Learning by Transfer from English International Phonetic Alphabet to Chinese Pinyin, So I want to recommend the book Elementary Chinese to you. Let the world know China better and Let China reach out to the world. With the further Reform and Opening, more and more foreigners want to know China and study the Chinese language. From my years of English learning, I have noticed studying Chinese with the help of Transfer. Among the English International Phonetic Alphabets, many alphabets are similar to the Chinese Phonetic Alphabets. The Transfer has obvious effects for the foreign beginners in reading the words correctly and improving their self-taught abilities. There are three parts in this book. The first part is how to learn Pinyin by the Method of Chinese Learning by Transfer from English International Phonetic...

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
