Anness Publishing. Hardback. Book Condition: new. BRAND NEW, How to Use Dreams for Healing, Rosalind Powell, Dream worlds are magical places where anything and everything is possible. Celebrated as an important part of the human experience for thousands of years, dreams have been perceived as a message from the gods, a manifestation of our unconscious, and a prophecy of events to come. This sensitively illustrated passport to an enchanting, and often surreal, world contains clear and practical guidance to anyone interested in the art of dream interpretation. A dream dictionary of common themes and symbols will help you to analyse your dreams and unravel your unconscious mind. Learn how to prepare to dream, to dream about any subject you choose, to share your dreams with others, to re-enter your dreams, and even to change their outcome. Beautifully illustrated throughout, this book brings the world of dreams into vivid reality.
