

## Real Resumes for Construction Jobs

By Anne McKinney

Createspace, United States, 2012. Paperback. Book Condition: New. 276 x 214 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Don't take it for granted that construction industry jobs are always easy to get. The best jobs in any field are always the object of intense competition! This book will show how to enter, advance in, or exit from the construction field while speaking the lingo of the construction industry. Resumes include jobs such as project manager, carpenter, foreman, safety manager, electrician, brick mason, engineering manager, real estate agent, plumber, job planner, sander, flooring installer, interior designer, independent contractor, and many other jobs. A word of advice from Editor Anne McKinney: It used to be the case that you just had to show up on a job site to get a job in construction. While that may still be true when the construction industry is booming, you will always make your best impression if you have a resume that shows your employment history and track record of accomplishments. This great book of sample resumes and cover letters showing construction industry experience will help construction industry tradesmen and professionals show off their expertise. If you want to enter...

### Reviews

*This ebook is great. It typically will not expense a lot of. You will not sense monotony at at any moment of your own time (that's what catalogs are for about when you question me).*

-- **Shaniya Torphy PhD**

*A new e-book with a brand new point of view. I really could comprehend everything out of this written e publication. I realized this publication from my dad and i encouraged this publication to understand.*

-- **Ashlee Gulgowski**
