

Climate Refugees

By Collectif Argos, Hubert Reeves, Jean Jouzel

MIT Press Ltd. Paperback. Book Condition: new. BRAND NEW, Climate Refugees, Collectif Argos, Hubert Reeves, Jean Jouzel, "Our job is to tell stories we have heard and to bear witness to what we have seen. The science was already there when we started in 2004, but we wanted to emphasize the human dimension, especially for those most vulnerable." -- Guy-Pierre Chomette, Collectif Argos We have all seen photographs of neighborhoods wrecked and abandoned after a hurricane, of dry, cracked terrain that was once fertile farmland, of islands wiped out by a tsunami. But what happens to the people who live in these areas? According to the United Nations, some 150 million people will become climate refugees by 2050. The journalists and photographers of Collectif Argos have spent four years seeking out the first wave of people displaced by the consequences of climate change. Using the massive 2,500-page report of the Intergovernmental Panel on Climate Change (IPCC) as their guide, these photographers and writers pinpointed nine locales around the world in which global warming has had a measurable impact. In Climate Refugees, they take us to these places -- from the dust bowl that was once Lake Chad to the melting...

Reviews

Very useful for all group of people. It is amongst the most incredible pdf i actually have read through. Its been written in an extremely straightforward way and it is just right after i finished reading through this pdf by which basically modified me, change the way i think.

-- **Felicia Nikolaus**

These sorts of ebook is the ideal book offered. It can be written in simple terms rather than confusing. I discovered this pdf from my dad and i advised this publication to understand.
