*It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

AUTHORHOUSE, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. After critical analysis of my life, I have come to realise the Lord has been my portion for living. The arm of the Lord is really strong and has saved me, and he is still with me. I have drawn this conclusion due to some awkward situations that befell me and that could have resulted in my untimely death. This is the story of how I became a witch doctor, a boxer, and then a pastor and how it took me two years to travel on foot through Africa to get to Europe to attend Bible college because of my calling from God. I have shared my testimony with some unbelievers who have become new converts in Christ, and the Christians with whom I speak revive their hopes and faith. I love to share my story by speaking on a platform because I am not good at writing. But due to space and time constraints, I have chosen to write it down. Pay attention as I share with you some fascinating moments of my life.
