is a practical, user-friendly text that employs scientific research, sound advice, and student journal entries to encourage, sustain, and challenge the readers to function at their best during the crucial days of student teaching. Their needs--both professional and personal--during this stressful period guide the book s content. Student teachers relationships--with students, cooperating teachers, and supervisors--are seen as being at the core of their teaching assignment. The authors draw on research in education and psychology that has practical application in the classroom and that helps student teachers cope with some of the tough problems connected with classroom management, including maintaining order and motivating students to learn. The book features: *practical, step-by-step assistance in helping student teachers make the most of their experience; *inclusion of the voices of many real student teachers who describe their difficulties and frustration--and how they overcome them; *in-depth discussion of the ways in which student teachers can make best use of cooperating teachers and university supervisors; *advice on making a smooth and successful...
