Inner Light: A Collection of Spiritually Inspired Poems

By Ann Elizabeth Costantino

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Consciously applying spiritual teachings to our lives, while watching the universe unfold and respond to that intention, can be life transforming. It is an honorable journey that can be made easier through the conscious decision to fully participate with life and its lessons and to understand that we are not alone on this walk. We've all heard that old adage that life is not a dress rehearsal. We have this life right now. This is the test. This is the moment that matters - right now - and it is not too soon nor too late to start. It is wonderful to realize that the course we take is actually in walking through our very own perfectly designed personal obstacles. We have within us, both the terrain as well as the capacity to walk it. We can take the journey willingly and happily and choose to walk it courageously. These poems talk about this journey -- a journey that is inward and acknowledges our inner light, and a journey that relies on God to help us find...

Reviews

A new e book with a brand new standpoint. I am quite late in start reading this one, but better then never. I discovered this ebook from my i and dad advised this publication to understand.

-- Jada Franecki II

Here is the very best book i have got read through until now. I could possibly comprehended everything using this composed e publication. You will not sense monotony at whenever you want of your time (that's what catalogues are for concerning should you ask me).
