Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Racial and National Exclusiveness This little brochure on Racial Exclusion, by Mr. Shohachi Anju, has interested me greatly, because of the author and the circumstances of the writing, and because of the subject and the scholarly yet practical treatment he has given it. It is no small honor for one to whom the English language is native to successfully complete, under the most favorable circumstances, one of the regular courses in Leland Stanford, Jr., University. It is a greater honor for a native of a foreign country, particularly an Asiatic country, to do it, because of the radical difference in the language. Mr. Anju, a native of Japan, has not only done this with great credit, but, in December, 1907, in competition with American young men, by his essay on the Ethics of Racial and National Exclusiveness, he carried off the noted Bonheim prize.
