BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. abridged edition. 170 x 135 mm. Language: English . Brand New. When the former shot-caller of the country's most feared white supremacist prison gang contacts Burke, he comes with references and the promise of a huge score. Terminally ill, the ex-con needs major cash to gamble on the long-shot possibility of a cure that's available only in Switzerland. The one card he has to play is a small-time degenerate who paid for protection when they were in prison together. That professional bottom-feeder claims he personally buried the body of a thirteen-year-old girl who had been raped, tortured, and finally killed by three rich men more than thirty years ago - and that he's holding irrefutable proof. But such a complicated extortion scheme needs the hand of a specialist crew, so Burke is offered a piece of the action. He and his outlaw family put together a lethal plan. If they can pull it off, Burke gets the two things he lives for: money and revenge. If they can't, terminal could prove to be more than just one man's diagnosis.
