Summary: From Booklist "This is a primer for junior execs and those just entering or reentering the workforce and a refresher for career-switchers and people who've encountered barriers on the job. It's about people skills, and it's amazing that no one's identified and solved its issues before. Communications consultant Glickman, a former Peace Corps volunteer and Wall Street banker, tells and shows how to manage common workplace situations, from greeting and prioritizing to asking for help and managing a crisis, in easy-to-master ways. Most important is the foundation Glickman suggests of four emotions that underscore "winning" communications: namely, generosity, initiative, forward momentum, and transparency. Troubleshooting, discussed in the form of questions and answers, ends each section. A simple, straightforward handbook for saying and doing the right things at work." This book, with its wide variety of common scenarios and suggestions, is a must-have resource for professionals who understand that success always depends upon quality communications."
