After their rescue, the saboteur s trail sends the Devlin Group to Africa, where Carmen tries to revert back to her cold, professional self. Except Gallagher isn t ready to let her go. Not by a long shot. As the Group gears up to rescue a young woman held hostage in the well-guarded compound of a guerilla warlord, Carmen tries to shove her long-time attraction for Gallagher-now jacked up by one mind-blowing night-back into its mental corner. No matter what her heart says, there s no future with him. They re from different worlds. Not to mention the effect a failed relationship could have on the job. But as the mission gets blown all to hell, they find the African jungle has its own, brutal way of deciding who has a future at all. Warning: This book contains men and women who kick ass, make love, and have a propensity for language you won t hear on network television.
