

Up from Slavery

Filesize: 7.11 MB

Reviews

Comprehensive manual for ebook fans. I am quite late in start reading this one, but better then never. Its been written in an exceptionally basic way and is particularly merely soon after i finished reading this publication in which really changed me, affect the way in my opinion.

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Up from Slavery, Booker T. Washington, William L. Andrews, 'My life had its beginning in the midst of the most miserable, desolate, and discouraging surroundings.' For half a century from its publication in 1901 Up from Slavery was the best known book written by an African American. The life of ex-slave Booker T Washington embodied the legendary rise of the American self-made man, and his autobiography gave prominence for the first time to the voice of a group which had to pull itself up from extreme adversity. Washington attributes his success to his belief in many of the virtues celebrated by Benjamin Franklin: selflessness, industry, pragmatism, and optimism. But from behind the mask of the humble, plainspoken schoolmaster come hints that reveal Washington the ambitious and tough-minded analyst of power who had to balance the demands of blacks with the constraints imposed on him by whites. To read Up from Slavery is to explore the means by which Washington rose to become the most influential and powerful black American of his time. How far he compromised African American rights in order to achieve his aims remains a matter of controversy. **ABOUT THE SERIES:** For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
