## Health Attitude: Unraveling and Solving the Complexities of Healthcare

By John R Patrick

Attitude LLC, United States, 2015. Paperback. Book Condition: New. 229 x 155 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. A fresh and insightful perspective on American healthcare. Health Attitude presents an optimistic future where innovation, technology, empathy and sound business principles collide into a big-bang of better healthcare! In the enlightening and timely new book, Health Attitude: Unraveling and Solving the Complexities of Healthcare, Dr. John R. Patrick unravels the American healthcare system in terms even newcomers to the healthcare policy debate will understand. He arrives at the fascinating conclusion improving healthcare delivery and outcomes is not solely a matter of technology or cost. It's a matter of attitude. It's not disease, dollars or doctors standing in the way of safe, affordable healthcare, says Dr. Patrick. The solution includes a new health attitude for patients, providers, payers, and policymakers. Only when we confront the challenges of the healthcare system can we create meaningful change. In Health Attitude, Dr. Patrick unveils his strategy for true healthcare reform which includes a system focused on patients and explores the fascinating potential of new technology which can transform the industry. He paints a positive vision to make...

### Reviews

*Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- *Otis Wisoky*

*This publication is great. It is full of wisdom and knowledge You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).*
