Houghton Mifflin. Paperback. Book Condition: new. BRAND NEW, Old ELM Speaks: Tree Poems, Kristine O'Connell George, Kate Kiesler, This tree across the stream is a trickier bridge than it might seem. The author of The Great From Race and Other Poems has created a collection of short poems that celebrate trees and the amazing variety of ways they touch our lives. Deceptively simple verses reveal what trees think about and what they say to one another, as well as how they look and all the things they do for us. Humor and an unerring ear for the sounds of language make these poems an irresistible read-aloud; the luminous oil paintings evoke a country setting and the children who enjoy it through the year.
