From fictional tales of human and animal characters to true life motivational narratives of historical figures, these stories have subtly molded young people's characters and guided them in making positive choices in life. Christian moral stories interest children in a special way and propel them to listen and take the intended messages to heart. Parents and instructors who use moral stories to teach their kids provide a strong, positive influence and build a foundation for a lifetime of significant benefits. This book, Christian Moral Stories: Another 45 Stories for Everyone is the third in a three-part series. The others are Christian Moral Stories: 45 Stories for Everyone and Christian Moral Stories: 45 More Stories for Everyone . These books are beautiful collections of interesting stories for Christian parents and instructors to teach good morals to the young people without boring them. This book is suitable for all audiences and can be used to spice up sermons and catechism instructions. Whether you are a parent or a Sunday school instructor, teaching kids with stories from this book will change their lives - and yours - forever.
