

Florida: The Gulf Coast and Cuba (Classic Reprint)

By Unknown Author

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Florida: The Gulf Coast and Cuba In the days of the fabled Fountain of Youth, nearly four hundred years ago, Florida became the Mecca of those in search of adventure, pleasure, health and wealth. Today, all the charms of this wonderful state are known far and near, and every winter season sees a large increase in the number of pleasure and health seekers from all the world. Florida is the third largest state in the Union east of the Mississippi River, and has more than 1,200 miles of coast line. At places, the coast is hard, white sand, stretching away for many miles; while at other points, bays, inlets and rivers provide excellent harbors, and make possible the most remarkable pleasure places imaginable. And the same is true of the entire Gulf Coast as far west as New Orleans. But, best of all, the delightful winter climate of this pleasant Southland can be quickly reached in from twenty-four to forty-eight hours by the snow-driven travelers of the frozen North. Reviews

An extremely wonderful pdf with perfect and lucid information. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- *Elenor Koch PhD*

This publication will be worth purchasing. It is written in straightforward words and not hard to understand. I am just very happy to explain how here is the best ebook we have read in my own lifestyle and might be the best publication for at any time.
