

## The Twenlows: Their Wives and Their Homes (Classic Reprint)

Filesize: 2.33 MB

### Reviews

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be the best ebook for possibly.*  
*(Mitchell Kuhn III)*

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Twenlows: Their Wives and Their Homes The Object of this Book, as the dedication explains, is the instruction of my child in the history of her ancestors. It has required more than five years of pretty constant labour and research, and has led me much further afield than I expected or intended at the outset. Much that is set down in it may appear immaterial and trivial; but I have hesitated to use the pruning hook, because with lapse of time trivial matters become of interest. If our forefathers of two or three hundred years ago had written full accounts of their daily life, and had gone into domestic details, what interesting reading it would be now! But they did not usually do so; and in consequence we are much in the dark about them, and can only give a bald epitome of their proceedings culled from deeds and wills, public records and parish registers. This book is intended in the first instance for my daughter; and it may also be of some interest to members and friends of our family. Whether anyone beyond that limited circle will attempt to read it, is doubtful. It does not tell of heroes or men of genius, or even of attractive or amusing scamps. The Twemlows for the most part seem to have been fair specimens of average Englishmen, conscientious, prudent, and free from excesses of all kinds. Their surroundings have been provincial; for some seven centuries they have had their roots in Sandbach parish, from which they have seldom wandered far. Their wives, with a few exceptions of modern date, have all come from the same...
